2011 Con†Stellation XXX: Corona Borealis Art Show Report— The total membership for the convention, which ran from September 16th to September 18th, 2011, was about 210. This art show consisted of 403 pieces (including prints but not 31 donated charity pieces) from 16 artists, displayed on 23 panels and 3 tables. The mail-in participation was from 8 artists. The print shop had 5 artists participating. There were 89 pieces sold for a total of \$3,259 (not including \$1222 raised for the S.N.A.P.). Thus, for non-charity items, the average sales price was \$36.62 per piece. The average total sales per selling artist was about \$203.69. The most sales for a single artist was \$1239 and the lowest was, unfortunately for one artist, no sales. We had 12 pieces that went to the Saturday voice auction.
